Permitting Agency Checklist

Per SECTION B. DUTIES & RESPONSIBILITIES OF THE FLOODPLAIN ADMINISTRATOR of your Flood Damage Prevention Order:

(4) Review permits for proposed development to assure that all necessary permits have been obtained from those Federal, State or local governmental agencies (including Section 404 of the Federal Water Pollution Control Act Amendments of 1972, 33 U.S.C. 1334) from which prior approval is required.

Floodplain managers should verify that all required permits are obtained for work in the floodplain **prior** to issuing a floodplain development permit. The permitting agencies below regulate land and water development activities. This list can be attached to the permit application packet. They include but are not limited:

Texas Commission on Environmental Quality
